## Campus Housing Policies (See http://www.housing.ufl.edu/)

Housing assignments are made on a space-available basis and freshmen who apply early and respond to the Division of Housing in a timely manner will receive priority for campus housing. Due to heavy demand, the university cannot guarantee on-campus housing to all students. A limited number of spaces are reserved for transfer students; interested students should contact housing as soon as they are admitted.

Since the 1980-81 year, UF student-athletes have accumulated 908 SEC Academic Honor Roll honors, the top total in the SEC during that time span. . In addition, the Gator athletic program continues to have an impact in regard to University academic programs. Since 1990, the University Athletic Association has now contributed more than $\$ 14.3$ million to the University to fund academic endeavors.
