Overview

Outcome Measures Overview

Welcome to the IPEDS Outcome Measures (OM) survey component. The OM component collects award and enrollment data from degree-granting institutions on four undergraduate cohorts at two points in time: six-year and eight-year.

The four cohorts of degree/certificate-seeking undergraduates are:
- Full-time, first-time entering (FTFT)
- Part-time, first-time entering (PTFT)
- Full-time, non-first-time entering (FTNFT)
- Part-time, non-first-time entering (PTNFT)

Updates:
- New for the 2016-17 collection, initial cohort data will be preloaded in the six-year award screen for the four cohorts (FTFT, PTFT, FTNFT, PTNFT). In addition, for applicable institutions, the revised FTFT cohort will also be preloaded to ensure that Graduation Rates 200% match with OM's 8-year award rates.

- IPEDS will ask for an estimated time it took you to complete the OM survey component. Include in that estimate the time to review instructions, research data sources, complete and review the component, and submit the data.

- There are two new changes on the Award and Enrollment Status at Eight-year Screen: 1) The Revised Cohort column is no longer available. Revised cohorts can only be entered on the Award Status at Six-year Screen and 2) Last year's data collection had an Exclusions column for the entire Eight-year period. This column has changed to an Additional Exclusions column (September 1, 2014 through August 31, 2016).

- A new calculated total row, which represents all entering students, has been added to the bottom of both the Six-year and Eight-year screens.

Data Reporting Reminders:

All reporting institutions will report on an entering cohort year: **2008**

Six-year status will be as of **August 31, 2014**

Eight-year status will be as of **August 31, 2016**

Reporting Tips:
- Follow directions on who to include and exclude in your cohorts. Inclusion and exclusion directions are similar to Graduation Rates.
- Carefully read each OM FAQ before reporting your institution's data. NOTE: There is a new FAQ (#10) which addresses if your institution changed its calendar system (i.e., academic year, hybrid, or program).

Coverage:

For academic year reporters (standard academic terms - semesters, trimesters, quarters, or 4-1-4 plan), institutions will report using a fall cohort. Institutions may either use October 15, 2008 or the institution's official fall reporting date.

For program and hybrid reporters (not on standard academic terms), institutions will report using a full-year cohort. Institutions will report during the period between September 1, 2008 and August 31, 2009.
