## Fall Enrollment 2021-22

Institution: University of Florida (134130)

User ID: 88G4439

### Overview

#### Fall Enrollment Overview

The Fall Enrollment component collects student enrollment counts by level of student, enrollment status, gender and race/ethnicity. In addition, first-time student retention rates and the student-to-faculty ratio are collected. Enrollment by age is required in odd-numbered years, and enrollment by residence of first-time undergraduates is required in even-numbered years.

Institutions operating on a traditional academic year calendar (semester, trimester, quarter, or 4-1-4) report Fall enrollment as of the institution's official fall reporting date or October 15. Institutions operating on a calendar that differs by program or that enrolls students on a continuous basis (referred to as program reporters) report Fall enrollment as students enrolled any time during the period August 1 and October 31.

#### Data reporting reminders:

- Part B, Enrollment of students by age, is **required** this year.
- Part C, Residence of first-time degree/certificate-seeking undergraduates, is **optional** this year.
- For reporting students studying in consortium agreements, please refer to the Resource page at <https://nces.ed.gov/ipeds/report-your-data/data-tip-sheet-reporting-data-consortium-institutions>.

Part E - First-time Bachelor's Cohort Retention Rates (Full-time)

**Retention Rates - Full-time, First-time Bachelor's Cohort from Fall 2020**

Academic reporters determine the cohort and retention as of the institution's official fall reporting date or as of October 15. Program reporters determine the cohort with enrollment any time between August 1 and October 31, 2020 and retention based on August 1, 2021.

The retention rate is calculated by the system after clicking "Save" on the screen. Exclusions are subtracted from and inclusions are added to the original cohort and the resulting adjusted cohort is used for calculating the retention rate.

Retention Data Reporting Reminders:

- Include only **full-time, first-time bachelor's** students in this cohort.
- Determine the full-time cohort using Fall 2020 status (e.g., if a student was full-time in Fall 2020, report them in the full-time cohort regardless of their Fall 2021 status).
- If there are no students to report in the cohort, enter zero. Do not leave the field blank.
- Report in the exclusions box (line E2a) the number of students from the cohort who left the institution for any of the following reasons: died or were totally and permanently disabled; to serve in the armed forces (including those called to active duty); to serve with a foreign aid service of the Federal Government (e.g., Peace Corps); or to serve on official church missions.
- Report in the inclusion box (line E2b) first-time bachelor's-seeking study abroad students who were excluded from the first-time cohort (line E1) but who have re-enrolled at the institution their second year.

## Summary

### Fall Enrollment Survey Summary

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution's Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the [Data Center](#) and sent to your institution's CEO in November 2021.

Please review your data for accuracy. If you have questions about the data displayed below after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568 or [ipedshelp@rti.org](mailto:ipedshelp@rti.org).

## Fall Enrollment

Source	Description	Severity	Resolved	Options
<b>Screen: Part A - Fall Enrollment for Graduate Students</b>				
Upload File	The number entered is outside the expected range when compared with the prior year value. Please correct your data or explain. (Error #6304)	Explanation	Yes	
Reason	The total number of Women Part-time graduate students has been reviewed and is correct.			
<b>Screen: Part A - Fall Enrollment by Distance Education Status</b>				
Upload File	Your institution reported that you had 76% of your students enrolled "Enrolled exclusively in distance education courses" last year, but this year you reported 4.50% enrolled in "Enrolled exclusively in distance education courses" in Undergraduate Students. This is a larger shift than we would expect. Please correct your data or explain the discrepancy. (Error #6833)	Explanation	Yes	
Reason	The reported number of undergraduate degree/certificate-seeking enrolled exclusively in distance education courses(1,002) this year has been reviewed and is correct. The number of undergraduates enrolled exclusively in distance education has increased in 2020 due to COVID-19.			
Upload File	Your institution reported that you had 24% of your students enrolled "Enrolled in at least one but not all distance education courses" last year, but this year you reported 58.08% enrolled in "Enrolled in at least one but not all distance education courses" in Undergraduate Students. This is a larger shift than we would expect. Please correct your data or explain the discrepancy. (Error #6834)	Explanation	Yes	
Reason	The reported number of undergraduate degree/certificate-seeking enrolled in at least one but not all distance education courses this year has been reviewed and is correct. The number of students enrolled in at least one but not all distance education courses has decreased in 2020 due to COVID-19.			
Upload File	Your institution reported that you had 2% of your students enrolled "Not enrolled in any distance education courses" last year, but this year you reported 37.42% enrolled in "Not enrolled in any distance education courses" in Undergraduate Students. This is a larger shift than we would expect. Please correct your data or explain the discrepancy. (Error #6835)	Explanation	Yes	
Reason	The reported number of undergraduate degree/certificate-seeking not enrolled in any distance education courses this year has been reviewed and is correct. The number of students not enrolled in any distance education courses has decreased in 2020 due to COVID-19.			
<b>Screen: Part C - Residence of First-time Undergraduates</b>				
Perform Edits	The reported number of first-time students from a foreign country (315) is significantly different from the reported number of first-time nonresident alien students from Part A (142). We would expect most individuals who are not permanent residents of the United States to be applying from foreign countries, so we expect these two values should be more similar. Please correct your data or explain the discrepancy. (Error #6827)	Explanation	Yes	
Reason	Figures differ as student residency between application and enrollment may lag. Some students do become permanent residents between application and enrollment and are then categorized into race/eth categories instead of NRA. You have already accepted this error.			
<b>Screen: Part E - First-time Bachelor's Cohort Retention Rates (Part-time)</b>				
Screen Entry	The part-time, first-time bachelor's cohort reported in Part E (32) is outside the expected range when compared with the prior year value (Fall 2019 cohort). Please correct your data or explain. (Error #6805)	Explanation	Yes	
Reason	The total Part-time, first-time Fall 2020 bachelor's cohort has been reviewed and is correct. This Match the grand total (Men+Women) of the Part-time, first-time bachelor's cohort submitted last year.
